**ACT.**

Be a host organization for citizen volunteers. Give others the opportunity to lend a hand and get involved to help our community. You are the expert here so get creative. This is a special day to amplify the work you do every day. In whatever way your organization serves our community, simply do it with the intention of honoring those affected by Pulse and invite others to join you.

**LOVE.**

Share your stories with us! Send us photos from this and past years through our [partner portal](#), and post this year's photos and videos of your organization out in the community using the hashtag #ActLoveGive. Additionally, our signature #ActLoveGive photo cards are available in our digital toolkit. Follow and engage with us on [Facebook](#) and [Instagram](#).

**GIVE.**

This year, we are spotlighting a focus on Mental Health and Wellness. Show your generosity and kindness by donating to one of our community health partners in an effort to make sure access to these important services continues to be available in our community.

## You don't have to wait until June 12th to show your support.

Acts of love and kindness from across the nation and beyond have showered our community since that fateful day in June 2016. To continue in this effort, we invite you to join the One Orlando Alliance during the third year of our [#ActLoveGive](#) campaign, launching on **Thursday, April 25** and culminating on **Orlando United Day, Wednesday, June 12**.

During these 49 days, we will be sharing information on special events, tips on mental health and wellness and acts of love and kindness carefully curated from the families of the victims, as well as survivors of the Pulse Tragedy. Started as a homegrown movement of giving and good deeds witnessed in the aftermath of the tragedy, the campaign has grown to include participation from LGBTQ+ and ally community groups, nonprofit organizations, educational institutions and major employers from across the region.

We invite you to help this movement of generosity, love and compassion continue to grow.

Showing love and kindness is something we all have the power to do.

We are excited to see how our diverse community shows that in whatever way is meaningful to you.

Together, we continue to show the world that we are #OrlandoUnited.
