

The City of Orlando and Orange County, in collaboration with Pulse, have designated June 12 as “**Orlando United Day - A Day of Love and Kindness.**”

You are invited to join the 4th annual **Acts of Love and Kindness** movement.

Participation is easy - visit [ActLoveGive.org](http://ActLoveGive.org) to learn more.

Thank you for your commitment and service to our community.

**ACT.**

Do something to help others in your community. This could be volunteering for a nonprofit or simply doing something nice for someone with the intention of showing love and kindness.

**LOVE.**

Spread the love by sharing your stories, photos and videos of why you Act, Love, or Give on social media using the hashtag #ActLoveGive. Signature “I Act/Love/Give Because” photo cards are available in the digital toolkit – simply download, write in with whatever compels YOU to Act, Love or Give and share however you see fit.

**GIVE.**

This year, we are spotlighting the response to COVID-19 and encouraging donations to organizations providing support to those in our local communities. This could be donating to a food pantry, making/distributing masks or giving to a relief fund that supports our most vulnerable. What matters is that you are sharing what you can with a cause that is meaningful to you.

### You don't have to wait until June 12th to show your support.

Acts of love and kindness from across the nation and beyond have showered our community since that fateful day in June 2016. To continue in this effort, we invite you to join the One Orlando Alliance during the fourth year of [#ActLoveGive](http://#ActLoveGive), which launched on **Saturday, April 25** and culminates on **Orlando United Day, Friday, June 12.**

During these 49 days, we will be sharing ways our community is acting, loving and giving as well as special messages of love and kindness carefully curated from the families of the victims, as well as survivors of the Pulse tragedy. Started as a homegrown movement of giving and good deeds witnessed in the aftermath of the tragedy, the movement has grown to include participation from ally community groups, nonprofit organizations, educational institutions and major employers from across the region.

We invite you to help this movement of generosity, love and compassion continue to grow.

Showing love and kindness is something we all have the power to do.

We are excited to see how our diverse community shows that in whatever way is meaningful to you.

Together, we continue to show the world that we are #OrlandoUnited.
